National promotional events supported by EU-OSHA

Activities organised by Focal Points **in the frame of the FAST** (Focal Point Assistance Tool):

- **10 seminars** organised in Belgium (1), Bulgaria (1), Greece (4), Italy (1), Lithuania (1) and Portugal (2)
- **806 people** in total attended the seminars
- 2 of the seminars incorporated information on **Covid-19**
- Most of them were organised in **online/hybrid format**

National partners implemented many more activities

Check the specific links to the national partners' webpages for more details:

<https://oiraproject.eu/en/national-partners>

* Several other activities supported by EU-OSHA also included presentations on OiRA, although they are not listed here
